**COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE**

**Mail Stop ISSUE FEE**  
Commissioner for Patents

Dear Sir:

Applicants appreciate the finding of the pending claims to be allowable. In the Reasons for Allowance accompanying the Notice of Allowability, the Examiner stated that "the prior art of record neither teaches nor suggests within the context of the entire claim a [sic] wherein a lower most part of the conductive plug and a lower-most part of the electrical device are at a first level."

Applicants assume that, pursuant to M.P.E.P. § 1302.14, the Examiner has stated some, but not all, of the reasons for allowance of the claims and that, as a result, the statements discussed above do not necessarily relate to or completely set out the reasons for allowance of each and every claim. For example, Applicants submit that the claims depending from Claim 1

recite additional limitations distinguishing the art of record.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
